UPDATE ON UROLOGY: ERECTILE DYSFUNCTION SYMPOSIUM

COURTYARD HOTEL, BUDAPEST

2-4 OCTOBER 2026

3 October 2026, SATURDAY | SCIENTIFIC PROGRAM

DAY 2 | TREATMENT STRATEGIES

13:30-15:00 Session 7 – Surgical Approaches and Penile Prosthesis

Indications for penile prosthesis

Dr. András Horváth

Surgical techniques

Dr. Gunes Kiziltepe

Complications and patient selection

Prof. Dr. Halil Lütfi CANAT

15:00-15:30 Coffee Break 

15:30-18:30 Session 8 - Overactive Bladder: From Diagnosis to Personalized Management

Understanding Overactive Bladder: Definition, Epidemiology and Pathophysiology

Moderator: Prof. Dr. Halil Lütfi Canat

Diagnostic Approach to the Patient with Overactive Bladder

Prof. Dr. Sinan Levent Kireççi

First-Line Management: Lifestyle Modification and Behavioral Therapies

Prof. Dr. Arthur L. Burnett

Pharmacological Management of Overactive Bladder

Dr. Peter Nyirady

Refractory Overactive Bladder: Advanced and Minimally Invasive Therapies

Dr. Atilla Keszthelyi

Interactive Case Discussions: From Symptoms to Treatment
